DISPATCHERS NEEDED!

The Shelter Hotline Program (SHL) transports clients to various shelters and other program-designated locations 365 days per year, 18-24 hours per day. SHL is seeking energetic and experienced individuals to join our unique team. We need dispatchers who are self-starters and able to work in a fast paced, ever-changing environment. They must be team players who are able to work cooperatively with co-workers as well as able to work independently with minimal supervision. The candidate must be flexible and able to handle stressful situations well while paying close attention to detail. We need dispatchers who have experience operating a two-way radio system, managing the coordination and dispatching of the drivers in the field, and serving as the first point of contact for the clients, service providers, and other agencies we work with.

Dispatchers will be expected to have a vast knowledge of streets throughout the Washington, DC area and be able to help drivers navigate through the city. Our expectation is that dispatchers will have compassion/empathy, the ability to work with diverse populations, and be able to solve problems as they arise. Dispatchers will be expected to display excellent customer service skills, professional oral and written communication skills and outstanding interpersonal skills. The ideal dispatcher candidates will need to have the right complement of knowledge, interpersonal skills and abilities to work with our dynamic team.
